Transcript

`00:00:13` **Speaker A:** Just to confirm I understood: you asked to add third-party cover to the car policy and keep the excess at 1,200 shekels. Correct?

`00:00:23` **Speaker B:** Correct. And the change starts on the first of the month?

`00:00:28` **Speaker A:** Yes, November first. The premium goes up by 38 shekels a month, and I'm sending the updated document to your email today.
